

Our Mission Statement

Parents' Voice aims to promote the genuine involvement of parents* across services in Worcestershire.

We aim

- to champion issues that are important to parents
- to inform and thereby empower all parents
- to represent as many different parents and their viewpoints as possible
- to encourage open and honest engagement with parents
- to promote respect and clear communication between parents and decision makers
- to make a positive difference for children, young people and their families.

By acting together we will be able to influence change for the future of every child and young person in Worcestershire.

* "parents" includes carers of children and young people.

The logo features a stylized figure of a person with arms raised, composed of light purple shapes. Below the figure, the text "Parents' Voice" is written in a light purple, sans-serif font. "Parents'" is on the top line and "Voice" is on the bottom line, both enclosed in quotation marks.

“Parents’
Voice”
